up e-mail soon.

Please type/print your responses.

1. Please describe the occupations, training and experience that qualify you for this office.
2. What are your primary concerns for the next four years?
3. Are there academic areas where you believe our schools could improve or expand their current offerings?
4. We are rightfully proud of our BC schools. What can/should the School Board do to better advertise and attract families to live here?
5. Do you support expanding the school voucher program? Why or why not?
6. How do you see the School Board's relationship with the School Corporation and senior management?

See attached  
sheets.
